

Class of 72 – Old Brigade Update

All,

During the 2017 Ex-Cadet Weekend, our Class enters the Old Brigade. That's just 18 short months away!!!

We are now at critical point in the preparations and need your help to:

- determine how many members of the Class plan to attend the Ex-Cadet weekend celebrations, and
- confirm your support for the recommendation of the Class Old Brigade Gifting Committee (Lawrence McDonough and Bill Simms with input from Tim Dear, Don Kennedy, Dave Bindernagel, Ken Hague, Bruce McAlpine, Jean Drouin and me).

As recommended, our Class gift be will be used to refurbish the Currie Building art work (<http://www.rmc72.org/website/currie-hall-refurbishment-initiative-details/>), and to provide information kiosks for CMR, Royal Roads and RMC (<http://www.rmc72.org/website/kiosk-add-on-project-idea-from-dave-bindernagel/>).

To make our Class gift a reality, your financial support is essential. Our goal is to raise \$150,000. To date, raised and pledged funds total \$92,138.

The simplest way to make a donation is through the RMC Foundation Donate Now webpage - <https://www.rmcfoundation.ca/index.php/ways-to-give/donate-now/>. In doing so, please remember to indicate that your contribution is for the Class of 72 Old Brigade Project.

For the latest Class information, checkout the Class website (<http://www.rmc72.org>)¹, and for information about those who have donated to date, checkout the RMC Foundation Donors webpage. (<http://www.rmcfoundation.ca/index.php/our-donors/>).

More information about the 2017 Ex-Cadet Weekend and Old Brigade entry will be added to the Class website as it becomes available. Please let me know as soon as possible if you plan to attend.

¹ - You can view most information posted on the Class website without logging in. However, to view some information and post comments, you must login using a username and initial password of CNxxxx and xxxxClas\$72 where xxxx is your College Number.

If you have any questions about the Class gift or the 2017 Ex-Cadet weekend arrangements, please contact me.

I look forward to celebrating with you.

TDV
